The WRAC bylaws dictate that terms for At Large members shall be for two years, to be replaced or reaffirmed in February of odd numbered years. Therefore, the County Supervisors need to replace or reaffirm your membership position in February 2011.

Please let us know if you intend to continue serving on the WRAC representing your current At Large membership position so that staff can process reaffirmations and also perform outreach to fill remaining vacancies. Please reply to this email expressing your intent.

Thank you in advance for your response. Happy new year!

Howdy!!

I think the WRAC is doing some important stuff, thanks to you and to its members, so I'd like to continue if the Board will have me!! As an Environmental rep, my main responsibility is those not otherwise at the table: people of the future, and other species. I would like to continue representing them, and working with people representing other interests, to make sure that those of us who are 70% water can continue to thrive here!

Many  
thanks,

Eric

Body: Happy New Year, Courtney!

I am finally getting back up to speed, and will attend the WRAC meeting on Jan. 2. Sue Luft has asked if I would remain her alternate, and I said I would, if the committee will forgive my absences this last year. Of course, if a better choice to fill the position comes along, I will step aside.

Hi Courtney-

I have an update on my membership for the WRAC. My last day at the MBNEP will be on February 1st, and I will be transitioning to a new role at Tetra Tech in San Luis Obispo in mid-February.

I'll be working with Tetra Tech primarily on stormwater compliance and agricultural water quality, and my new supervisor is supportive of my continued membership in the WRAC. (I hope the WRAC will be supportive of my continued membership, given my new employer!)

I'm looking forward to getting better acquainted with different aspects of surface water quality and water policy through my new position, and think that it will likely make me a better resource for the group.

The public announcement of my departure from the MBNEP will likely be out later this week- although timing is a little uncertain. I know that you are up against a more rigid deadline for the BOS meeting, so I wanted to get you an update soonest.

Thanks for giving me a deadline allowance to respond!  
Annie Gillespie
